Saint Paul's UCC Covenant For Church-related trips

Because God calls us to a community of faith and to be leaders in Christ's church, I covenant with God and others to conduct our life together during St Paul's _____ trip, in a manner that promotes a positive community of faith.

- I will participate in all activities of the group, working and worshipping together to learn and grow from the work trip experience.
- I will treat all people with dignity and respect.
- I will respect the property of all people, both in the group and onsite.
- I will use the facilities made available to us with care. If I accidentally damage the property in any way, I will inform the group leader and take responsibility for the damage.
- I will not smoke during this trip.
- I will not bring illicit drugs and will use prescription drugs responsibly while on the trip.
- I will not use alcohol while on the trip, realizing that such behavior can be harmful to me and destructive to the Christian community.
- I will not engage in any inappropriate activity. (A good gauge for appropriate behavior is –if I would not tell my pastor or my parents of this behavior, or if I would not want to be caught in the act of this behavior I will not participate in it.)
- I will respect the right to privacy of others in the group, understanding that I can expect the same from them.
- I will not leave the group for extended periods of time without informing the leader of the necessity to do so.
- I will not travel alone at anytime.

Please realize that your role as a member of the St. Paul's UCC is an important one. While you are on this trip, you are a representative of your family, St Paul's, the Pennsylvania Southeastern Association and Conference and of the United Church of Christ. Please keep in mind that your positive leadership skills and modeling for others are imperative for the success of our venture and for future trips!

I have read and will honor this Covenant.
