Dear St. Paul's Family:

The signs are all around us, Autumn is nearly upon us. Where did the summer go?

I often think of Autumn's imminent arrival once VBS has concluded. It is a signal that school is just around the corner, and we will soon be seeing the brightly colored school buses and the CSA folks who direct traffic to safely usher our children across the streets of the Borough.

Our collaborative VBS with Trinity was once again a wonderful event. I still sing the songs to myself and want to do a superhero pose and shout "Trust Jesus" each time I hear of Jesus' power." We had more than 40 children again this year and a group of dedicated decoration haulers, decorators, and un-decorators in addition to the many volunteers who staffed each area of VBS. I echo Louise Moyer's sentiments that we could not hold VBS without the village that surrounds it and carries it out. We are also thankful to the Kutztown Historical Society for welcoming us to their incredible train display to enhance our Rocky Railway experience.

You have been hearing of a few new community partnerships recently as well as some community favorites. Here are some upcoming events:

Sunday, September 11 - Sunday School will celebrate Rally Day

On Sunday, September 11 from 1:00 – 4:00 PM The St.

Barnabas Center will have their Grand Opening. Food, Fun, and Faith will abound.

On Sunday, September 18th at 1:00 PM the Sunday School will be leading a group to harvest potatoes at the Potato Project field. After the harvesting is finished for the afternoon, participants are treated to hotdogs, drinks, and the freshest, most delicious French Fries. All ages are welcome.

On Wednesday, September 21 Young at Heart Seniors will be handcrafting greeting cards.

On Sunday, October 2 at 3:00 PM we are welcoming the Eastern Berks Rejoicing Spirits ministry to our sanctuary. Please contact Erin if you would like to volunteer.

On Saturday, October 8 from 10:00 AM to Noon we will have a Blessing of the Pets/Animals.

The Kutztown Folk Music Society will be returning to St. Paul's sanctuary the second Friday of each month beginning on Friday, October 15 at 7:30 PM. October's concert will feature "Board Members and New Faces."

Continued on next page.....

Continued from previous page.....

On Sunday, October 23 the Worship Committee will be hosting Holy Humor Sunday.

On Sunday, October 30 our Confirmands will become members of St. Paul's in the Rite of Confirmation.

Keep an eye on the church calendar and the bulletin for more information about upcoming events and meetings. We are an active congregation and a blessing to each other and our community.

As Autumn begins in earnest and the more relaxed days of summer fade into the past, we realize we have more responsibilities on the horizon. May the words of Matthew inspire us for the work of the Lord that lies ahead. "Let your light shine before others, so that they may see your good works and give glory to your Father in heaven."

Blessings,

Pastor Kim

## Spiritual Council Corner by Priscilla Farber and Pastor Kim

Spiritual Council – what is it? Have you wondered about this recently?

Spiritual Council is made up of all Elders; those who are currently sitting on Consistory as well as those who are not currently serving. Once an Elder, always an Elder.

Our Elders are: Carl Arndt, Ethel DeMatteo-Beck, Brian Beck, Marjorie Bryde, Marilyn "Pal" Eckert, Priscilla Farber, Jacqueline Garcia, Fernando Garcia, Brenda Grider, Robert Grim, LaRoy Haas, Shirley Hartman, Joe Hartman, Colin Heffley, Kenny Held, Daryl Keim, Denise Keim, Christine Keim, John Keiser, Sue Kunkel, Keith Leinbach, Sherry Leinbach, Steve Leinbach, Jan Lenich, Tom Lenich, Steve Lobb, Carl Mantz, Linda Merkel, Mindy Miller, Nancy O'Neil, Carol Reinhard, Karen Rhode, Rob Rhodes, Debra Schaeffer, Jeffrey Schmoyer, Jerry Silberman, LeAnn Silberman, Merritt Smith, Cindy Swan, David Swan, Erin Webb, Marjorie Weida, Bruce Werley, Louise Wessner, and Cheryl Zeigler.

Elders are a valuable part of our church. They are the most experienced members, and they bring their history to Spiritual Council. Many of the issues facing our church today were issues that they were previously involved in solving.

Spiritual Council is responsible for the spiritual nurture of St. Paul's. This includes: Communion during worship, Home Communion, Visitation, World Day of Prayer, The Prayer Method of the Month, Advent and Lenten Devotionals just to name a few.

We encourage all Elders to attend the Spiritual Council meetings, which convene every other month, to share their knowledge and ideas. Our next meeting is Tuesday, September 13th at 6:30 PM.

By Judy Heffley

When I asked David Rung what his favorite hymn was, he had two answers for me. He likes #389, “Spirit of the Living God” by Daniel Iverson because he feels that it sets the tone for Communion services.

David also likes the Easter hymn #368, “He Lives” which is very upbeat. His favorite line from the hymn is “You ask me how I know He lives? He lives within my heart!” This hymn speaks to David and echoes his feelings about Jesus.

The composer, Alfred Henry Ackley, was born in Pennsylvania in 1887. He studied music in New York City and at the Royal Academy of Music in London. He attended Westminster Seminary in Maryland and served at a church in PA and later in California. He preached with great vigor on the reality of Christ’s resurrection, which led him to write the song “He Lives” in 1933. He never dreamed it would become one of the church’s most triumphant Easter hymns.

### Colin Heffley’s Quips

- 1) My wife made an angel food cake for our son’s fifth birthday. When we asked him to make a wish and blow out the candles, there were tears coming down his cheeks. When we asked him why he was crying, he said, “I wish my birthday cake didn’t have a hole in the middle.”
  - 2) If you have melted chocolate on your hands, you are eating it too slowly.
  - 3) Did you know that a Grouchy German is a Sour Kraut?
  - 4) Some people are kind, polite, and sweet-spirited until you try to sit in their pew.

## ROCKY RAILWAY VBS STEAMS THRU KUTZTOWN

Our combined St. Paul's/Trinity VBS was a huge success! We had 47 youth join us to learn how "Jesus' Power Pulls Us Through," just like the steam engine on the train pulls it through the rugged terrain of the Rocky Mountains. A huge thank you to the MANY volunteers who supported it from hauling decorations, to setting up the decorations, to leading a station or crew, and helping with the behind-the-scenes work. It takes a village to pull off the program, but the smiles on the students' faces and their enthusiasm for learning about God & Jesus make it all worthwhile.

## SAVE THE DATE - SUNDAY SCHOOL RALLY DAY - SEPTEMBER 11

We look forward to welcoming back our youth Sunday School students on Sunday, September 11. Most teachers are returning and we are excited to start our new Group curriculum "Grow Together Now." More details on the Rally Day festivities as we get closer!

## ***GETTING TO KNOW...***

*This is the fifth new member interview that was done by June Rung and Kathy Landis. The interview is with Jim Gray, a member of St. Paul's Technology Committee.*

### ***Q. Where are you from?***

I grew up in Bucks County outside Langhorne until I attended Kutztown University where I lived in the dorms. I've always liked this area, but for now, I live in Mount Penn.

### ***Q. What would you like to tell us about your family?***

My father worked for the Bell Telephone Company for 35 years, and as a hobby, he restored old phones and other crafts. For a time, my mother also worked in another telephone office. Both my mother and father enjoyed collecting and selling antiques. They raised me in the Baptist church. It was very strict: no drinking, dancing, gambling, etc. My mother was very involved in Sunday School and DVBS. She now lives at The Heritage of Green Hills. She's in good health, remains very active and heads up a Bible study group there. I have one younger brother who lives in Southampton now but may retire soon to his other home in the New York Seneca Lake area.

I have three sons, two of which are twins. The twins are moving in together at Grays Ferry in South Philadelphia. My older son is married. He attended UTI (Universal Technical Institute in Chester County, PA) where he studied automotive technology. Now he is the head of the maintenance department overseeing all vehicles in a school district where he receives teacher benefits and pension. With my son Jesse, I go to different restaurants in Philadelphia on a monthly basis where we sample their cheesesteak sandwiches and review them on Facebook. As a result, people are sending me suggestions for other restaurants we should visit.

### ***Q. Where did you get your education?***

I attended Council Rock High School in Bucks County where I became involved with video production. After high school, I enrolled in Kutztown University and majored in telecommunications. While there, I worked as an R. A. (resident assistant) in the dormitory. On the bus to R. A. training at the University of Delaware, I sat with a young lady, also an R. A. whose name was Kim Kline. This was the start of a friendship that lasted over the years.

### ***Q. What do you do for a living?***

I own a video production company, VideoWorks Production Company. My biggest client is United Way of Berks County and we've had a great relationship for over 30 years. I also produce the Berks County Time Train, a series of videos on Berks County history presented on Channel 69. I love history. You may watch the 250+ videos on YouTube. I learned some lessons from the pandemic, as a result I recently made some changes to my business model. Instead of using one editor in-house, I've contracted out the work to numerous editors both locally and throughout the country. I found this practice is more flexible, quicker, and more financially savvy. I also do drone photography and videography, TV commercials, training videos and web videos.

### ***Q. What are your hobbies?***

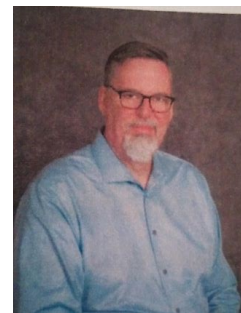

I am a member of S.O.A.P.: The Spirit of the Airwaves Players. We re-produce old-time radio shows and perform at the WWII Show in Reading and at a variety of places. In nursing homes, we have performed for patients who are mostly uncommunicative, but when we sing the old-time ads, they sing along. We use the scripts from former radio shows like the Lone Ranger, Little Orphan Annie, Abbott and Costello, including the ads. Sound effects are part of the entertainment. (Ask Jim about these—they are fun!)

### ***Q. What do you do on a Sunday morning in the church?***

I often run the slideshow for worship checking to see if the slide matches what is being said and making adjustments, if necessary. At the same time, I run the video-stream for the live-stream service. Also, I operate our new remote camera. Someone else from the tech committee usually runs the manned camera to be sure they have shots of the pastor as she moves around. It is a calling from God to be participating in worship in this way and it expands participation for those who are unable to attend worship in the sanctuary.

Jim says his video-production business doesn't seem like work because he really enjoys it. Ask him anything about it and you will hear his enthusiasm. Thanks, Jim, for sharing.

Kathy Landis and June Rung
